Dear Placement Team,

We are thrilled to officially announce the launch of our Summer Internship Hiring Program! We invite you to partner with us in identifying the next generation of innovators at your institution.

This isn't just an internship—it's a career-defining gateway. We offer talented students the chance to collaborate on industry-leading projects, solve complex global challenges, and pave a direct path toward Spring internships and full-time careers at Cisco.

Who We Are Looking For (Eligibility):

Degree: Currently in the 3rd year of a B.E./B.Tech program OR the 1st year of an M.E./M.Tech program.

Specialization: Open to all branches and specializations—we value diverse perspectives!

Academic Standing: No current backlogs.

Why Students Should Join Cisco:

- High-Impact Projects: Get hands-on with the cutting-edge technologies that power the global internet.
- World-Class Mentorship: Accelerate professional growth with personalized coaching from Cisco's visionary leaders.
- Future-Ready Skills: Gain the technical "edge" and professional agility needed to lead in the rapidly evolving tech landscape.

How to Register:

To ensure your students are considered for this elite opportunity, please complete the attached Excel sheet and return it to us. Accuracy is key to securing their participation in the selection process.

Registration Deadline: July 08, 2026

Let's work together to bridge the gap between classroom learning and industry leadership. If you have any questions, please don't hesitate to reach out.

Warm regards,

Entry-Level Talent Recruiting Team
